

Support Groups

Cancer Center Support Group

Support groups offer the strength that comes from the power of human relationships and the ability of people to nurture and support one another. This group is open to adult cancer patients (18 and older) and their caregivers. It is a safe, confidential place to share feelings and experiences with others whose lives are affected by cancer.

The support group meets the fourth Wednesday of each month from 5 to 6:30 p.m. Meetings are held at the Healthy Living Center (YMCA), 1140 Main Street, in La Crosse. Please use the King Street entrance and parking area.

Registration is not required.
