Detail
Gundersen St. Joseph’s is committed to conducting its business ethically and in conformance with its Compliance Plan and Standards of Conduct and all federal and state laws and regulations. To support this commitment, Gundersen St. Joseph’s will maintain and update, as appropriate, a written Compliance Plan and Standards of Conduct to provide guidance on employee and organizational responsibilities related to compliance. The Compliance Plan and Standards of Conduct will describe important parts of the Compliance Program, including, but not limited to, the process for reporting compliance concerns, the compliance hotline and the non-retaliation policy. All employees, residents, students and volunteers will be provided with a copy of the Compliance Plan and Standards of Conduct and will participate in an education session that includes a review of the document.

Implementation

   • address both general and specific areas of potential fraud or similar wrongdoing;
   • provide information on the False Claims Act and other information as required pursuant to the Deficit Reduction Act of 2005;
   • reference the non-retaliation policy for the purpose of encouraging communication and the reporting of incidents of suspected fraud or other wrongdoing;
   • provide instructions on how to report compliance concerns;
   • address acceptance of gifts;
   • provide instruction on our Identify Theft Prevention Program; and
   • be available to employees in both paper and electronic format through Gundersen St. Joseph’s intranet.

2. The Director of Compliance/Compliance Officer, or his/her designee, shall review the Compliance Plan and Standards of Conduct on an annual basis to ensure that it accurately represents Gundersen St. Joseph’s Compliance Program and current state and federal laws and regulations as appropriate. The Director of Compliance/Compliance Officer, or his/her designee,
will report to the Compliance Committee, any recommendations for updating or improving the contents of the Compliance Plan and Standards of Conduct. The Compliance Operations Committee shall review and approve the Compliance Plan and Standards of Conduct annually.

3. The Director of Compliance/Compliance Officer, or his/her designee, will ensure that all employees have access to the Compliance Plan and Standards of Conduct, as well as any updates to the document.
