Mission:
We will serve our region as the trusted place for compassionate quality care, a resource for specialty services, and be innovators in integrated rural healthcare.

Vision:
To be the leader in comprehensive rural healthcare.
St. Joseph's Memorial Foundation was founded in 1983 as a not-for-profit organization. The purpose of the Foundation is to originate fund raising projects and programs while enhancing the care of St. Joseph's patients and community. We are the vehicle for receiving gifts in support of Gundersen St. Joseph's Hospital and Clinics. There are many ways in which one might look for a meaningful way to donate to the Foundation: Fundraising Events, Planned Gifts and Estate Planning are a few examples. With your support Gundersen St. Joseph's will continue to grow and serve our mission. For more information please call (608) 489-8259

**Memorials and Honorarium Gifts**

An exceptional way to show you care is through a contribution that pays tribute to a special person in your life. A gift of this kind can celebrate a birth, commemorate an anniversary or a milestone in someone’s life. Of course, a contribution can also be an enduring tribute to a loved one who has died or to honor someone who has greatly impacted your own life.

**Tree of Life**

Purchasing a leaf or stone is a way for our community, families, friends and employees to show their support with inscribed recognition on our “Tree of Life” located in the front lobby of St. Joseph’s.

___$100 Leaf
___$1,000 Small Stone
___$2,500 Medium Stone
___$5,000 Large Stone

**Bequests**

One of the simplest ways to make a gift to Gundersen St. Joseph's Hospital and Clinics is through your will. You can name St. Joseph's as the direct beneficiary of specific assets, a portion of your estate, or your residual estate after payment of other bequests. Bequests can yield substantial federal estate tax savings. This is no limit to the amount you can leave to the hospital or other charitable organizations through your will.
