

# STRATEGIC PLAN 2022-2023

## OUR MISSION

We will improve the health of our community through excellence in high quality, patient centered care.

## OUR VISION

We will enhance the health and well-being of our communities while enriching every life we touch, including patients, families and staff.

## STRATEGY 1

Improve access to community resources and care close to home.

## STRATEGY 2

Cultivate an inspired and empowered workforce.
